

SCRIP Gift Cards: Easy Fundraising Without Spending ANY Extra Money

What could be better than being able to work toward meeting your fund-raising commitment (\$600 Returning/\$300 New Athletes in 2015-16) without spending any extra money?!

With Scrip, hundreds of vendor gift cards are available to you at face value, and Woodson Crew gets a rebate – and **50%** of that rebate will be credited to your family's fundraising commitment! Think of Scrip as a change in your payment method. Instead of writing a check or paying by credit card for your normal monthly purchases, simply have some of these gift cards on hand and pay for your goods with them. You will be earning money towards your fund-raising commitment while spending NO EXTRA money!

Quite a few vendors (e.g., Staples, iTunes, Amazon, Best Buy, Home Depot, etc.) offer **ScripNow!**, which is essentially an electronic gift card. It allows you to print your "card" instantly when you pay online with PrestoPay. Some vendors offer **reloadable** cards (Whole Foods, Exxon, Safeway, Starbucks and Domino's Pizza to name a few). No more waiting for us to deliver your cards to you. They are adding to these lists of vendors all the time. See the web site above for more information.

Get Started With Scrip: It's Easy!

Go to <http://www.shopwithscrip.com>

1. **Create Account.** Click on "Create Account" under "Family Sign Up" in the green box. The second page asks for the enrollment code for Woodson Crew Boosters. Contact [Joan Fisher](#) for the enrollment code. Please do not share this code with anyone outside of the Woodson Crew team. Note: if you already have an account for another fundraising organization, you will just need to add our organization. From the side navigation menu, click on "Manage Non-Profits" and then the button to "Join Another Non-Profit" using the enrollment code.
2. **Set-up Payment.** We only accept Online Payment**. The funds will be directly debited from the account you choose at setup. It takes up to three business days to verify your account information so go ahead and get this started right away. Click on the PrestoPay link on the left side navigation menu on the Scrip website (<http://www.shopwithscrip.com>) and follow the instructions. Note that there is a small convenience fee of 15 cents per order (less than the cost of a stamp to mail a check to the PO Box).
3. **Place Order.** Enter your order by the 15th of the month to be included in the next team order. Select the cards and quantity you want to purchase and select PrestoPay as your payment option. Make sure your PrestoPay is active before you enter your first order. Encourage family and friends to place orders through you. Note that PrestoPay payments are debited from your account right away – so if you prefer, you can wait until closer to the ordering deadline to enter your order.
4. **Take Delivery.** Joan Fisher will call you to arrange delivery when the cards arrive the next week.
5. **Buy Goods.** Start paying for your normal monthly purchases with your Scrip gift cards and certificates. It really couldn't be easier to raise money for Woodson Crew!

ScripNow! and Card Reloads will be processed immediately by the system, so you have access right away. You may enter these orders at any time. Don't hesitate to contact Joan Fisher at joanmkf@aol.com if you have any questions.

Note: Scrip is a year-round fundraising program. No need to wait. Get started earning now!

** For this first order in September we will accept check payments for families who have not had time to set up an account. Checks can be mailed or dropped off to Joan Fisher at 4116 Doveville Lane, FX 22032 no later than 9/19/16.
